

CONFINALE

Part of HCLTech

Digital Banking applied

Confinale is one of the leading Avaloq service providers for tax, compliance, wealth advisory, regulatory reporting and the credit business with over 120 employees in Switzerland, Germany and the UK. For our IT Consulting division in London we are looking for an

IT Consultant / Business Analyst (all genders)

80 - 100 %, immediately or according to agreement

Are you experienced in advising internationally operating customers and do you appreciate diverse and challenging tasks? Confinale will give you the opportunity to apply your IT and business skills and progress in your career.

WHAT YOU CAN MOVE WITH US

- _ You analyse, design and implement the Avaloq software in various business areas and in close cooperation with the banking clients
- _ You customise the design and parametrisation of different use cases for clients
- _ Functional or technical specifications are developed by you according to the client's needs
- _ You support the coaching of consultants and training of users
- _ You're involved in product and business development
- _ You develop innovative front-end solutions for banks

WITH THIS YOU SUCCEED

- _ You have a Master's or PhD degree in physics, computer science, mathematics, industrial engineering or in a comparable field
- _ Your interest in IT, strong analytical mindset combined with accomplished problem solving and logical reasoning skills distinguish you
- _ In the area of relational databases, such as Oracle, you have practical knowledge
- _ Programming experience such as PL/SQL is an advantage
- _ Excellent knowledge of English, written and spoken
- _ You are a team player with high flexibility and resilience, have excellent communication skills and you are result-oriented and proactive

WHAT WE OFFER

- _ With us, you have the opportunity to enter the versatile and future oriented world of IT consulting
- _ With an intensive introductory training, we prepare you for your new challenges and offer you an organic, clearly defined and feasible career path
- _ Team spirit is at the heart of everything we do: You will work with like-minded people in an innovative and collaborative environment
- _ You have home office options for an optimal work-life balance
- _ You can expect an attractive and performance-oriented salary
- _ Summer and winter events, spontaneous barbecue evenings or get togethers after work - we live team spirit outside of work as well
- _ 25 days holiday plus bank holidays

DID WE SPARK YOUR INTEREST?
